TRINITY EPISCOPAL CHURCH

Rector's Column

I pray that the God of our Lord Jesus Christ, the Father of glory, may give you a spirit of wisdom and revelation as you come to know him, so that, with the eyes of your heart enlightened, you may know what is the hope to which he has called you, what are the riches of his glorious inheritance among the saints.

Ephesians 1:17-18

Dear Friends,

I pray that you are finding encouragement and grace from the guest consultants and preachers who are visiting Trinity throughout this Sabbatical time. It is also my intention and hope that David Spring, Dianne McCormack, and Rev. Allen Hicks are also taking some intentional time to rest. I am among the last of the rectors within our diocese to have taken some Sabbatical time following the pandemic, and David Spring worked very hard during the same period to continue Trinity's music program in new and creative ways.

New and creative ways of moving forward as communities of faith, as dioceses, and as the diverse international body that is The Episcopal Church organization is a common theme across the church. My sincere hope is that as many of you as are able will participate in the special offerings being provided by a variety of consultants and preachers, adult forums and presenters, who are visiting Trinity each month. This is a time for thoughtful reflection, gentle engagement with one another, and for encouraging a faithful vision for Trinity.

The autumn is my favorite time of year, lending itself as a particularly appropriate season for reflecting on the past, pondering the possibilities of the future, and preparing for both the deep slumber of winter and the holiday celebrations it holds. For the past three decades of my ministry, I have thundered into the final quarter of every year with busy programmatic, reports and budget preparation, and the increase of pastoral care needs/funerals that seem to accompany the time. I am grateful for to have the time this year to pull back on the throttle of the swiftly moving train that is my ministry and life, allowing me for the first time in a long while to experience the fall season as I did when I was younger – as a time for reading, for memorizing poetry, for writing, and for dreaming. Nothing can become real in the world without first having been dreamed.

I know that this month of November is beginning as a stressful time for our nation with the election cycle. I was reminded again recently that the only thing that can overcome the darkness of evil is the light of courageous hope. Meeting darkness with more darkness only makes all people blind. We are all of us affected by the crimes of global leaders whose self-interest and lack of empathy would drag the entire earth to its doom without hesitation. The domination thinking of empire was as useless and pitiful in the time of Christ as it is today. The power of Jesus' theological, cultural, and political challenge to the powers and authorities of his day continue to to the powers and authorities of his day continue to resonate in our time. In a truly democratic society, our power as citizens resides in our vote. Any action that would hinder, gerrymander, dispossess citizens from their right to vote, or manipulate results must be challenged in courts of law. There is a reason that our Sunday prayers of the people include prayers for our local and national governance – as a nation and as a church, we fought and died for independence from despotic and cruel leadership. From my recent travels, I can tell you that all the world is watching our presidential election, and they are worried.

This November, we have the power to change the world by how we vote. We can contribute to a terrible gathering darkness or we can dispel it by being the beacon of light that the world needs us to be as a people and as a nation. We must have the courage of hope to leave the ravaging traditions of empire behind us as a global society, and we must grow up. We must grow beyond prejudice, beyond greed, beyond ignorance. We must rather live by the eternal truth of our faith that requires our utmost compassion and love for others, our responsible stewardship of Creation, and our commitment to participating in the ongoing power of resurrection. Our story doesn't end on the cross, not ever. Like Christ, we must we *rise* to the occasion.

In Christ's Peace,
Pastor Rachel+

From Father Allen Hicks

Dear Trinity:

We have now entered the liturgical season that is actually my favorite of the year. Starting with All Saints' Day the first Sunday in November and then heading through November into Thanksgiving and into Advent, it is a time of anticipation and expectation. It is in knowing that the Holy time of Christmas will be soon upon us. We have a lot to do in these coming weeks, with both personal responsibilities and communal church responsibilities. It can all be so glorious as long as we remember to not let ourselves become too stressed with self-imposed deadlines and angst! Live and enjoy the moments as they come.

First off, you have to go vote! Take the time to make sure you research the people and the initiatives to be voted on and then sit down and do it. I will NOT tell you who or what to vote – just do it. It's important for us to have a say in this mortal world we live in.

Next, and this is also very important for the life and health of your church, please take the time to fill out your pledge card for this coming year, and turn it in any time between now and November 24—the official end of the 2025 Stewardship Campaign. To keep the doors open, the heat and the lights on, we need your continued support. EVERYTHING seems to be going up in price all the time so if you have the means to adjust your pledge to cover the cost of living and inflation adjustments, we would greatly appreciate it. I have walked in the shoes of those who simply cannot do too much. I get it. Do not feel guilty, do not feel ashamed. I personally promise you, you are sacred, worthy, and accepted members of the Body of Christ and we will always love you being a part of this church.

Lastly, take time to feel the joy and love that comes from our church – not the building – us! Our church is the people and I love the dedication and love that comes from each and every one of us. Let us relish and immerse ourselves into the seasons coming us with joy and hard work and care and compassion. This is what it means to be the Body of Christ in today's world.

In Christ's Name,
Fr. Allen

Thanksgiving Meal following service

Thursday & Friday, November 28 & 29: Church Office is closed for Thanksgiving Holiday.

Dear Trinity Members,

The warmth of fellowship fills our sanctuary every Sunday, much like our faithful boiler that has heated our church home for 60+ years. It reminds me of Mike Mulligan's beloved steam shovel, Mary Ann, who after years of dedicated service, found a new purpose warming the town hall. Like Mary Ann, our trusty boiler has served generations of worshippers, but now needs to transition to its well-earned rest as we prepare for the future.

This Thanksgiving season I'm especially grateful for the steady warmth that has enabled new families to find their church home at Trinity, countless moments of prayer, worship, and community gathering and years of Sunday School classes, choir practices and fellowship meals. I'm reminded of my grandma and this passage: *"Every good and perfect gift is from above" (James 1:17)*.

I think I've witnessed this truth through your faithful support and generous donations. Just as Mike Mulligan found a way to preserve Mary Ann's service to the community, we too are seeking to honor our building's legacy while preparing for tomorrow. As we look toward 2025, we're seeking a balanced budget to continue our ministry with hopefully a little extra on the side to ensure the essential replacement of our aging heating system.

Your loving generosity helps ensure our doors remain open and welcoming, our ministries continue touching lives, our staff remains supported and equipped and, our building stands ready to serve the next generation. Would you join us in giving thanks through giving?

Your 2025 offering supports not just a building, but a living, breathing ministry that shares Christ's love every day. Like Mary Ann finding her new purpose, your gift helps transform our cherished church home for future service.

With all my love,
Michelle Wheeler, Sr. Warden

P.S. While our boiler won't be converted into a storytelling space like Mary Ann, its replacement if she ever comes will continue the legacy of warming hearts and souls for years to come!

TREASURER'S REPORT

Greetings Fellow Parishioners,

The fiscal year 2025 operating budget estimate has begun and some numbers have already been entered. Estimating expenses is a matter of finding the negotiated contracts of the utilities and inflation rate. Prices for most items like paper, pens, communion wine, flowers, and other everyday items will increase with inflation. The 114th Convention of the Episcopal Diocese of Olympia, October 25-26 set the cost-of-living-adjustment for clergy at 3.8%; as well as the Diocesan assessment for 2025 to be 14.5% again.

During our stewardship campaign please prayerfully and thoughtfully consider a pledge to Trinity. Pledges give an estimate of our income for the year. Other income items like building use rental fees, our endowment distribution, and fundraisers make up approximately 10 percent of the budget. Turning in your pledge card will give a better idea of how Trinity will fare during the 2025 year.

The Trinity Together Campaign has provided enough funds to complete the budget for this year. Any surplus will become the starting balance for the new year. This will amount to approximately 10 percent of the budget. Thus the **2025 Stewardship**

Tithing chart for quick reference using annual or weekly income. If you desire to use monthly income, multiply the weekly income by 4; this will give a close estimate.

(continued on next page)

The New Testament principles of giving are centered around your relationship with God. Deciding how much to give back to the Lord should be done through prayerful consideration. It may be the conventional tithe, or it may be some other amount. Always remember everything we have has been given to us by God. We are the stewards of His generous gifts to us of time, talent, and treasurer.

The Stewardship Campaign runs through November 24th. Pledge cards will be collected during Sunday Eucharistic service and a brunch served after.

Some of you have already turned in your pledge cards. If you too wish to send in your pledges early you can mail or bring them into the office.

“It is a Christian obligation to vote, and more than that, it is the church’s responsibility to help get souls to the polls.”

Presiding Bishop Michael Curry

Participating in our country’s political life isn’t just about casting our own vote – it requires working together so we can all vote and vote faithfully. There are many ways to get involved – from participating ourselves to supporting others in our congregations and communities. We can all play a role in getting “souls to the polls!” *The Episcopal Office of Government Relations*

NOVEMBER 2024 CHIMES

“Give thanks with a grateful heart.”

I often like to reflect on all there is to be grateful for. In the AA program, one of my favorite reflections about gratitude: *Happiness does come from having everything you want. Happiness comes from wanting what you have.* November is also the month we commemorate, with gratitude, the Saints and All Souls who have gone before us in faith. We all have the opportunity to be like saints in little things day by day. Who can we encourage, one on one, in our lives? Remember, little stuff counts! Share your joy and faith. Smile at a newcomer? Find that lonely person in the corner at coffee hour and get to know their story.

Along with that, don't forget to pray, to vote, and to give thanks for all the many blessings the Lord has given us in our Trinity community and as blessed citizens of the United States of America. I hope we can all celebrate together on **Sunday, November 24 for special service and feast of thanksgiving.**

EVENSONG—Nov. 17

We welcome your participation in monthly **Evensong (sung evening prayer)** at **5:00pm**, alternating between St. Philip's Marysville, and Trinity. There is a simple rehearsal 3:30 pm before the service, opportunity to relax with the music we will sing so that we can all *pray* Evensong. Seasoned singers and all are welcome (readers, too!) to actively participate, or just come and prayer.

November 17 – St. Phillip's— Dec. 15 – Trinity. For info, please contact David Spring.

CARNEGIE HALL

A old story about New York goes: *A pedestrian on 57th Street saw a musician getting out of a cab and asked, “How do you get to Carnegie Hall?” Without pause, the artist replied wearily, “Practice, practice, practice!”*

Our Trinity Parish Choir has been doing lots of that this fall. On Thanksgiving Day, many of us will head to New York for 2-1/2 days' rehearsal with choirs from across the country (all together, over 250 of us!) and perform Handel's MESSIAH at the legendary concert hall. Please pray we stay healthy, keep our voices strong, and make a joyful noise to remember. Thanks for all the support from so many of you!

CHRISTMAS PAGEANT

We are preparing for our Christmas Eve family service and want to invite as many young people as possible to participate. If you've been thinking about coming back for Christmas, here is a perfect opportunity. Have grandkids visiting at the last minute? We'll find a way to include all. ***Want to help*** with wrangling kids, costumes, singing? Consider yourself invited! Let's chat... as soon as possible!

Trinity Endowment Funds

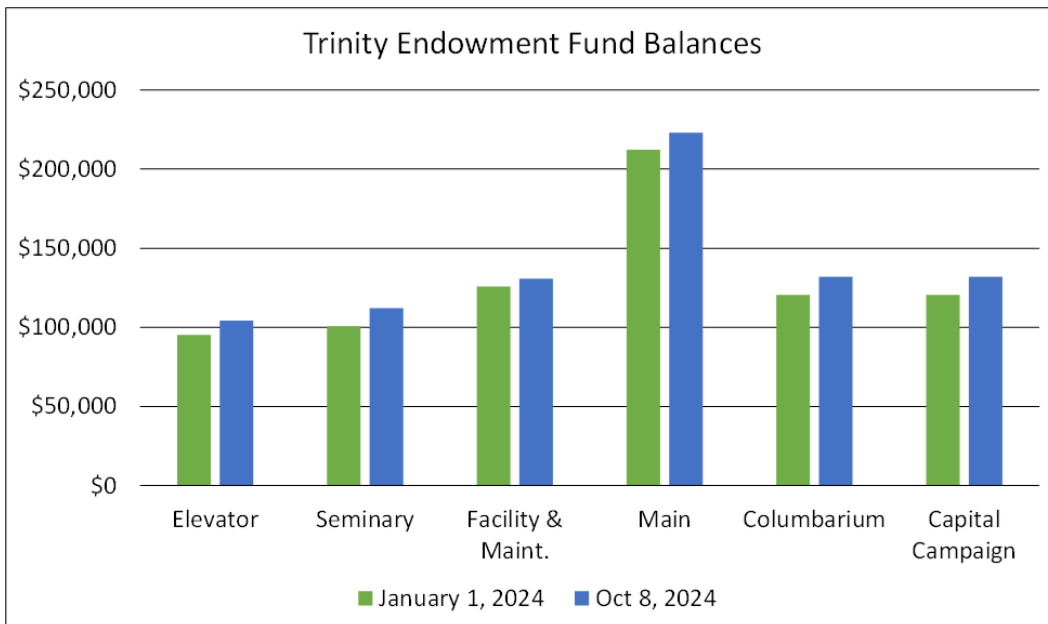

Trinity Endowment Funds

The total balance of the Trinity endowment funds on October 8, 2024 was \$834,222, up from \$775,067 on January 1, 2024 and up from \$727,190 on January 1, 2023. The total balance in the endowment funds as of October 8, 2024 was 7.6% higher than on January 1, 2024 and 14.7% higher than on January 1, 2023. The total return on the endowment fund portfolio, prior to withdrawals by the church and payment of investment fees, was 9.55% this year as of October 8, 2024.

So far this year, approximately \$14,560 has been withdrawn from the endowment funds for use by the church. About \$8,820 or 61% of this amount was withdrawn from the Main Endowment Fund and \$5,740 or 39% was withdrawn from the Facilities & Maintenance Fund. Approximately 5% of the Main Endowment Fund balance is contributed to Trinity’s operating fund each year and up to \$9,000 can be withdrawn annually from the Facilities & Maintenance Fund for facility maintenance and improvement expenses. According to the Endowment Committee Bylaws, certain amounts can be withdrawn annually from the endowment funds for various purposes.

As of October 8, 2024, there was \$131,911 in the Capital Campaign Endowment Fund. This is only a portion of the total funds retained from the recent capital campaign. In addition to the amount in the Capital Campaign Endowment Fund, \$213,626 was held in the Capital Campaign checking account as of October 1, 2024.

The amounts in the endowment funds are invested with UBS Financial Services, Inc., and our UBS financial advisor is in Everett. A combination of equities (41%), fixed income (38%), other investments (18%) and cash (3%) make up the investments for our funds. The overall investment strategy is considered “Moderate” risk by UBS. The total balances in the endowment funds on January 1, 2024 and October 8, 2024 are shown in the following chart:

Continued on next page

The Endowment Committee held its most recent quarterly meeting with the UBS financial advisor on October 17, 2024 to review the status of the endowment funds and determine if any changes should be made in the investment strategy. The meeting was held at the UBS office in Everett and was the first in-person meeting of the Endowment Committee since January 2020. It was nice to see everyone in real life after several years of Zoom meetings.

If you would like more information or if you would like to make direct contributions to any of the endowment funds, contact any of the members of the Endowment Committee: John Heberling (Chair), Betts Bell (Recording Secretary), Kevin Mack (Secretary), Don Stapleton and Linda Gabourel. Lorraine Dietel (Vestry representative), Jarman Minar (Trinity Treasurer) and Pastor Rachel (Rector) are non-voting members of the Endowment Committee. Evie Beard typically participates in the Endowment Committee meetings.

Report on the 114th Convention of the Episcopal Diocese of Olympia

“Come to Me, & I Will Give You Rest”

The Diocese of Olympia holds a convention every year bringing together clergy and delegates from all parishes in the diocese to conduct diocesan business, present information about current activities, share ideas, worship and socialize. The convention is held in-person every other year alternating with online meetings to save money. This year the convention was held on October 25th and 26th at the Tacoma Convention Center with about 350 clergy and lay people present. It was the first Diocese of Olympia convention for our new Bishop, Phil LaBelle, which added a bit of excitement and freshness to the proceedings.

The first day of the two-day convention was devoted to four workshop sessions with nine choices in each time block, ranging from Supporting Palestinian Christians to Artificial Intelligence. There was a convention session, midday to officially open the convention and evening prayer after the last workshop.

The second day started with delegates picking up electronic keypads for voting. We gathered in the large ballroom for Holy Eucharist with the Bishop’s address and Rite of Healing. Bishop Phil gave a moving, heartfelt sermon apologizing for past mistreatment of Indigenous Peoples, peoples of color, LGBTQ persons and ongoing, built-in white supremacy attitudes. He announced that a gift allowed the Diocese to buy Harmony House which will be renamed Sacred Waters and will be a place of rest and renewal for all.

We voted for positions for the Commission on Ministry, the Diocesan Council and the Standing Committee. There were three resolutions to consider. We passed the resolution on the 2026 diocesan assessment rate (remaining at 14.5%) and the resolution on the cost-of-living adjustment (COLA) for clergy and diocesan staff at 3.8%, calculated for the diocesan area. The diocesan budget for 2025 was also approved.

Resolution #3 titled “A Call to the Church for Action Toward Ceasefire & a Just Peace in Israel & Palestine” was postponed indefinitely after hearing deeply felt opinions for and against.

Numerous speakers updated us on happenings in the diocese which included a video about the diocesan youth sailing trip last summer on the Salish Sea aboard the 133-foot, *Adventress*, a 110 year old tall ship. Bishop Phil then awarded four Bishop’s Cross Awards including a posthumous one to The Rev. Jerry Shigaki for which there was a standing ovation.

Hicks was our clergy member in attendance and Lawrence Sylvester also attended as a member of the diocesan Standing Committee. We recommend serving as a delegate for Trinity in the future, if you have the opportunity, to experience firsthand how this diocese functions.

Visit the diocesan website for more information on the convention:

Weekend food program for Kids School year 2024-2025

We again are joined with Port Gardner Community Church to provide food on weekends for students at North Middle School here in Everett. This means that we collect food every week for the children that are identified by the School that are on the free breakfast/lunch program to provide to them nutrition on the weekends. Please keep in mind that some of the children are homeless and may have minimal cooking facilities.

We have a grocery cart with a yellow school bus attached to the front of it that was donated by a local QFC store. We have a team of volunteers that collect the food donated on Sunday and they take it to the Team Leader of Port Gardner CC on Sunday. It is their group that process the items into grocery bags for the kids to take home on

Friday. The school staff distribute the bags to the children. It is a team effort!

Some samples of the foods we accept for this outreach program are:

small 15-16 Oz **canned** foods: soups, chili, pasta, vegetables, and fruit cups

individual box packages of fruit juices (no sugar added, usually come in 8, 8oz), individually packaged cereals, (oatmeal) dry soups, (Top Ramen), snacks, breakfast bars. Protein bars, **all individually packaged**).

We **cannot** use items such as: large canned soup or beans, large boxed cereals, whole packages of dry pasta, canned or in jars Spaghetti sauce. **Nothing that requires refrigeration** (most cheese) No fresh fruits or veggies.

Please remember the hungry in our midst. We are beginning this Sept. with 12 children. This number usually increases throughout the fall. Last year we were consistently feeding 24 each weekend! This is not an easy task to provide 2 breakfasts, 2 lunch meals, 3 dinner meals and snacks for the children every weekend! We need your help! Be generous! **The goal is to fill the Kids food cart every Sunday!**

Thank you for your generosity in providing the food for this program throughout the year!

I could use at least one more volunteer for the Sunday pick delivery. If you are interested give a call or email to Julie Amdal. It is one Sunday a month per a schedule and throughout the school year.

For questions contact :
Julie Amdal, coordinator

Hello Trinity Family,

On November 3rd we are observing All Saints Sunday. Altar Guild would like to invite you to light a candle in memory of someone you would like to commemorate. We will have candles set up in Saint Lukes Chapel.

It is also a special day for us all as we will have a Baptism of our youngest in our Trinity family, Samuel, our very own Altar Guild member Caitlyn's new baby. Welcome Samuel!

You will notice the "Hangings" (the beautifully embroidered cloths hanging on the Floating Altar and Ambo) are White with pink roses. White means Purity, Happiness. It marks a special event.

November 24th is Christ the King Sunday. The last Sunday after Pentecost in the Episcopal Church. It marks the end of the season after Pentecost and the beginning of Advent. The Hangings are Festal Gold. These are white with red stripes.

It will be a combined service at 10:00. It marks the end of the Pledge campaign and collection of pledge cards with Thanksgiving Brunch potluck.

Altar Guild will be taking orders for poinsettias from Stadium Flowers. It is a great fund raiser (proceeds go to Trinity Operating Fund) with garland, table centerpieces and more. We make 50%! Orders and money are due to the Altar Guild November 24th. Delivery to the church will be December 14th at 1:00pm. You can pick up about an hour after that. We need time to collect them all.

It is the Altar Guild's Honor to serve as the Rector's guild and to carry out her liturgical visions. Being responsible for the proper care of the vessels, linens and priestly vestments used in the celebration of the Eucharist and other sacraments. This responsibility requires that reverent and high standards of care be upheld.

Blessings,
Kathy Crosby
Altar Guild Director

KNIT. CROCHET. PRAY.

The Prayer Shawl Ministry last met October 5 for our monthly meeting. We are wrapping up our yearly effort to knit hats for the ditty bags given at Christmastime by the Ministry to Seafarers on Harbor Island in Seattle. All hats that have been knit for this purpose should be turned in at our upcoming meeting. Next month the church will be busy with Pastor Rachel's Leadership Conference so our December meeting will be on the second Saturday which is December 14.

I hope to see you this Saturday November 2 at 10 am in the Guild Room. We welcome anyone interested. Bring your own knitting needles, size 11 or 13 for or size 8 for hats. We have yarn and patterns to get you started. I hope you can come.
